

Sometimes heartburn isn't "just" heartburn.

Heartburn is more than a nuisance. It can play havoc with your health. If you have frequent heartburn that doesn't respond well to medication, be sure to get it checked. The physician specialists at Portland Gastroenterology Center use sophisticated procedures to diagnose and treat heartburn and reflux disease (GERD), conditions that can lead to cancer and other severe health problems. Serious heartburn calls for superior care in our comfortable, state-of-the-art facility. Questions? Visit our website for more information or talk to your primary care physician for a referral.
